HOMES FOR EVERY LIFESTYLE AT 2009 CARE AWARDS

VICTORIA - Homes highlighting single family West Coast design, beautifully restored Victoria heritage and multi-family chic share the spotlight as finalists in the 2009 Construction Achievements and Renovations of Excellence (CARE) Awards. The Gold winners will be announced at the Fairmont Empress Hotel on October 2, 2009, after being displayed online at www.careawards.com and at advertised locations. CARE Awards finalists represent the very best in professional residential construction by members of the Canadian Home Builders' Association.

"These CARE Awards finalists demonstrate there is a home for every lifestyle," says CARE Awards Chair Gordon English. "Students, families, empty-nesters, and seniors – all are represented in this wide array of housing, which consumers can enjoy during the People's Choice Award contest."

The public will be asked to select the winner of the annual People's Choice Award from among the CARE Awards finalists. Photos of their projects will be on display at advertised locations and voters are eligible to win a stay at Long Beach Lodge Resort, www.longbeachlodgeresort.com, 2002 CARE Awards Project of the Year. In addition, the finalists' projects will be available for viewing and voting at www.careawards.com.

The CARE Awards finalists are selected by a panel of industry professionals using criteria such as architectural character, quality workmanship, use of space, energy efficiency, and sustainability. Awards will be presented on October 2 in the categories of Residential Planning Design & Construction, Interior Design, Commercial Planning & Design, Customer Service, Sales & Marketing, Special Achievement, and Special Interest.

"These projects are found only on Vancouver Island, however their influence extends well beyond the coast," says Casey Edge, Executive Officer, Canadian Home Builders' Association. "The winners often go on to win provincial and national awards, and some receive recognition in international publications like Architectural Digest."

The Canadian Home Builders' Associations (CHBA) of Vancouver Island created the Construction Achievements and Renovations of Excellence (CARE) Awards in 1991 to recognize the west coast's creative design and craftsmanship, and celebrate excellence in the industry.

"The People's Choice Award is the public's opportunity to view their West Coast dream home or renovation, and celebrate the best in housing," says Edge. "We hope consumers will join us by choosing their favourite CARE Awards finalist at www.careawards.com starting on August 23."

People's Choice Award display dates, locations and the list of 2009 CARE Awards finalists are online now at www.careawards.com.
